

KITCHEN

Capacity

Maximum capacity is 12 persons

Description

Our facility has a large commercial grade kitchen space, available to chefs, caterers, cooking classes, and as an add-on with the rental of one of our other spaces. The kitchen features a large island and two prep tables, a triple door cooler, upright freezer, two convection ovens, commercial stove and oven, and a commercial dishwasher

Clients are provided with use of the space, appliances, cookware, utensils, and serving trays. Our commercial coffee machine and dishware are not included or available for use. Clients are responsible for fully cleaning the kitchen after use.
